By means of this service "Trade Charges" on goods sent by Parcel Post are collected from the addressee by the Post Office and the amount of each "Trade Charge" is remitted to the sender by means of a Money Order.

In this way customers are enabled to order goods of which the actual price is not known to them and payment is only made on receipt of the goods, whereas traders can promptly execute orders, unaccompanied by cash, with a minimum of inconvenience to their clients and with considerable saving in Book-keeping costs.

Such parcels are accepted at Head Offices and certain Branch Offices for delivery at any place within the State, and they may be registered or sent by Express Service under the same conditions as ordinary parcels.

A C.O.D. parcel must bear on its cover or on a label affixed thereto:—

1. The name and full address of the sender.
2. The words "Cash on Delivery" followed by the amount of the "Trade Charge," i.e., the sum to be collected from the addressee.
3. Postage stamps for ordinary postage and the necessary C.O.D. Fee (also, if necessary, Registration Fee or Express Delivery Fee).

The sender must also complete, in duplicate, a special form, obtainable from the Post Office, which form must be handed to the Post Office official with the parcel.

No alteration or erasing of the "Trade

Charge" on either the form or the parcel is permissible.
