FOREWORD FROM OUR PRESIDENT, Ms. S. K. Kelly

On this, the Clubs 79th Championship Show I wish welcome all and hope for everyone to share this most special day.

I offer my deepest thanks as usual to all who have contributed to ensure the show's success with your entries, raffle prizes, donations and especially those who worked and given freely of their time on the Clubs behalf. Our community is as we make it.

For members, this past year like many others has marked the passing of dear friends and colleagues that now must slip into the Breeds history but I wish just to mention them once more in tribute.

From our own shores Mr. Trevor Steward and Mr. George Johnston and most recently from across the waters, Mrs. Patricia Shaw. I shall miss their presence, their banter and laughs, not to mention all their work behind the scenes for the North of Ireland and Ulster Cocker Clubs and their visits south.

I shall also miss my visits to Ravensby Hall and Mrs. Shaw's experience, knowledge and welcomes.

I know our little community can but offer our condolences to their families, but please know we hold their memories very dear and with the deep respect they earned in our Community.

My congratulations to both the Owners and their Cocker Spaniels who gained their Irish Champion titles, Junior Champion titles and of course those who also gained their Junior Diploma awards in 2011. It's not been a bad twelve months for Cockers on the Show scene judging by the titles gained.

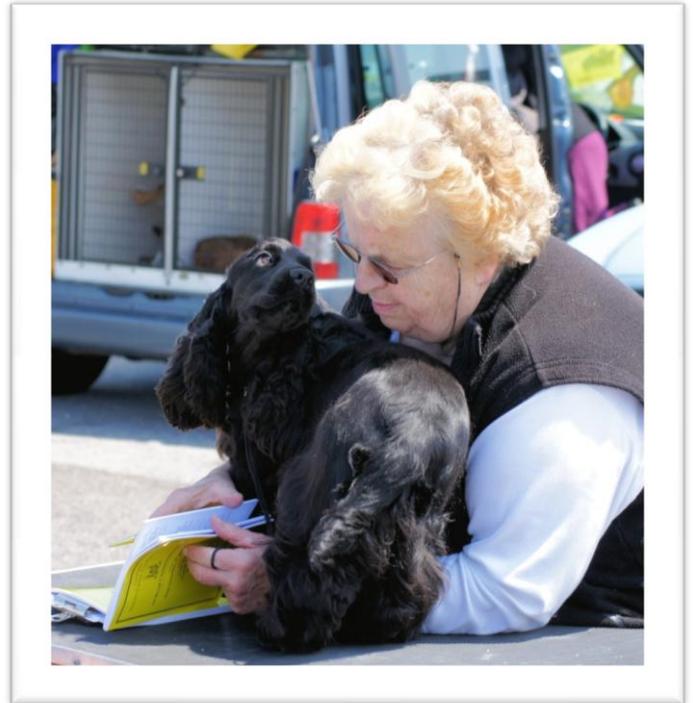

As Breeders we have known for many years, the health issues of our Breed, however this year's Crufts example exhibits our responsibility.

Six of the fifteen Best of Breeds were not passed for exhibition in Best in Show after independent Veterinary inspection, Eye conditions being the major reason. There is more on this subject in the Health Report.

I also extend a warm welcome to any New Members. Membership is very important as you now have a voice in where you want the Breed and Clubs evolution, as a member your opinion does really matter.

A very special welcome to our Junior Handler entries – The Club really does take pride in the fact we've always enjoyed an active Junior Handlers scene. You are our Club of the future after all. I can only encourage you by saying every one of us are thrilled to see you showing and remember any advice the Judges give is to help improve your handling skills for the next show.

Thank you all and Good Luck for 2012. I look forward to meeting you all at the show.

Sally Kelly

A WORD FROM OUR SECRETARY...

Dear Members & Exhibitors,

The officers and committee would like to extend our sincere thanks for your support over the last year.

In November we ran two very successful Field Trials, thanks to Pat and Enda for their hard work on that front. It is now a vibrant and growing sector of the club.

In February, we ran our 2nd All Breed Open Show in conjunction with the Dublin Cocker Spaniel Society. We achieved a bumper entry and the show was a great success.... a big thanks to the joint committees for all their hard work.

This year, in April, we are holding our first joint Seminar we would appreciate the support of our members.

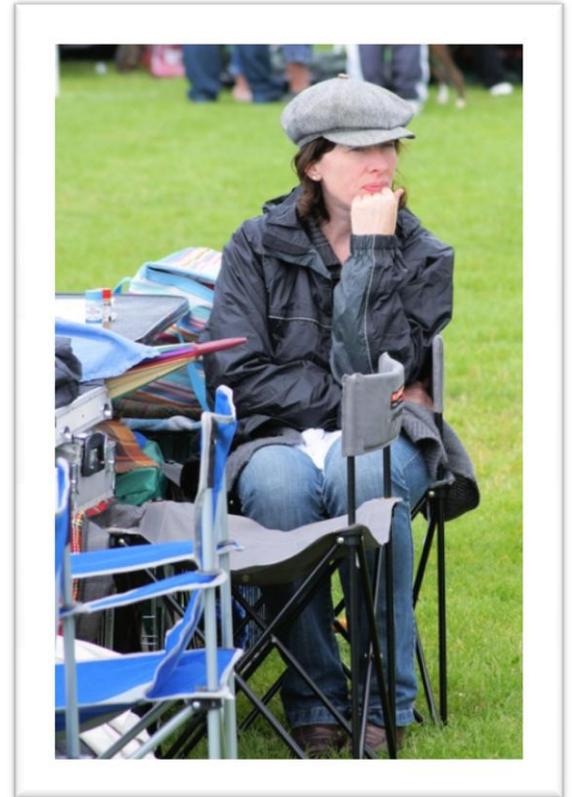

I would like to extend a CEAD MILE FAILTE to our judge, Mrs. Barbara Critchley, for so kindly agreeing to judge today. I hope you enjoy your visit with us.

Thanks to our loyal sponsor, ROYAL CANIN, for their generous sponsorship of all classes today.

Thanks, to Paul, for his work on the CSCOI website and catalogue, it is truly appreciated.

To all who have helped in anyway. Thank you!

I hope everyone has an enjoyable day.

Bernadette

The Cocker Spaniel Club of Ireland and Dublin Cocker Spaniel Society

Joint Health Committee

Dear Members & Exhibitors,

Our focus continues to be upon maintaining the Health, comfort and welfare of our breed.

Since Crufts 2012 further attention has been directed to those conditions of conformation that may have effects upon the eye. Some of the conditions, which we should focus, our attention to are: -

Entropion, a condition in which the lid margin turns inwards causing eye lashes and hair to rub on the cornea (front of the eye) thus causing discomfort and damage. This condition is easily recognised and requires urgent treatment. Although the lower lid is usually affected the upper lid of the ageing cocker spaniel can also be involved.

Ectropion is when the lower lid hangs outwards and its margin does not lie in its normal position. Discomfort and ocular damage are not permanent features and the condition may therefore be overlooked. However this condition usually affects both eyes to a similar degree. It will reduce efficiency of tear drainage, causing overflow and visible staining and a constantly wet skin.

Drooping of the lid inevitably exposes the inner surface to the environment and to drying. Inflammatory consequences will result conjunctivitis with reddening and discharges. The condition in its varying degrees will be recognised by most observers of cocker spaniel faces. These features we should try to avoid in our breeding programmes.

The Hereditary Retinal Conditions listed under the BVA Eye Scheme are: - Progressive Retinal Atrophy (PRA) and Retinal Pigment Epithelial Dystrophy (RPED). A DNA test for PRA is available from OptiGen.com

This DNA test checks only a single inherited condition, whereas an eye examination under the BVA / Eye Scheme screens your dog for a wide range of ocular diseases many of which are not of a hereditary cause. Diagnosis of RPED relies upon an eye examination.

The diagnosis of Goniodysgenesis an abnormality of ocular development of the eye is available as an additional to the standard screening.

Breed specific statistics relating to the BVA Hip Dysplasia Scheme have been published. 1013 cocker spaniels had been examined with a breed mean score of 13.

Breeders should try to choose breeding stock with hip scores well below the BMS, which is 13 for cocker spaniels.

We as responsible owners and breeders of cocker spaniels should bear these facts in mind when selecting breeding stock or considering breeding.

It is the clubs intention to continue offering eye examination sessions at our shows and I hope that you our members will avail of this and give us your continued support to improve our breed here in Ireland.

Ingrid Knapp R.V.N.

FIELD TRIAL REPORT

The Cocker Spaniel Club of Ireland held this year's two Open (Confined) Cocker Trials on 15th and 24th of November 2011. Both Trials took place on the Bracken Hill Shoot at Cranford, County Donegal, by kind invitation of Mr. Stuart McIntosh Shoot Proprietor. The scenic location of the Shoot became obvious as Judges, Competitors, Stewards and Spectators arrived at the section of the Grounds allocated to the Trials. This was hillside and small valleys as far as the eye could see. The Ground consisted of bracken, heather, rushes and bramble resulting in all dogs receiving similar Ground and as was to transpire very similar opportunities relating to Game also.

This is an ideal Spaniel Ground which had all the ingredients to ask all the questions of good Spaniels. Should the complementary remarks of all in attendance be considered this Ground was the real deal.

Game supply is a vital component to a successful Field Trial and those Trials were the classic example of cooperation between Club and Shoot personnel. This was very obvious as Stuart and Club Field Trial Sec Enda Jennings in their capacity as Beat Stewards ran the day in a quiet and assured manner. Game produced on the day consisted of Pheasants, Partridge, Duck, Woodcock and Snipe. Each dog had plenty Game to show their potential at all times. Judges for the Trial on 15th November were Mr. Liam Dundon (A) from County Limerick and Mr. Andrew Robinson (A) of Whaupley Cockers from Yorkshire. Mr. Anthony Smyth from County Louth was (C) Judge. A full card and reserves augured well for the future of working Cockers.

The morning dawned dry and overcast for the Trial on 15th November. A moderate breeze made hunting and shooting conditions ideal. The Trial started in bracken interspersed with small patches of loose bramble. As the dogs continued the consistency of the Ground became evident and also visible was the hunting quality of the Cockers. All dogs were more than able to deal with the terrain and it was really developing into a quality Trial. The guns were dealing with most of the Game produced and were shooting for the dogs. As in all Trials there were the unlucky/inexperienced dogs and handlers whose day we suspect will come.

As the day progressed the quality and polish of the real contenders began to show. The three Judges conferred and made up their books. Speculation was rife, was there a clear winner or was there to be a run off? The Secretary called four dogs to water and we were still in suspense. As the steam rose from the backs of the dogs, the matter was finally settled and the results were as follows.

<i>RANK & OWNER</i>	<i>DOG/BREEDER</i>	<i>GRADED</i>
<i>1st: Mr. Paul Murphy Co. Down.</i>	<i>Oldgang Ginger of Jackshea</i> , - Mr. M. A. Wilkinson.	<i>Excellent</i>
<i>2nd: Mr. J. McGonagle, Co. Derry.</i>	<i>Sperrinside Breeze</i> , - Mr. P. Cassidy	<i>Very Good</i>
<i>3rd: Mr. K. Lindsay, Co. Down.</i>	<i>Bannbracken Bramble</i> , - Mr. D. Kyle.	<i>Very Good</i>
<i>4th: Mr. D. Creamer, Co. Dublin.</i>	<i>Cheweky Gigges</i> , - Mr. M. Whitehouse.	<i>Good</i>

At the presentation Field Trial Sec. Enda Jennings thanked the Shoot Proprietor, Judges, Guns, the Clubs Sponsor Trio Bloom Pet Foods and Competitors for a very sporting and enjoyable day. He wished the Winner every success in the Spaniel Championship. The Cocker Spaniel Club of Irelands Rathborne Cup was presented to first place, Mr. Paul Murphy and C.B. Oldgang Ginger of Jackshea. Both Judges were high in their praise of the Ground and the Game supply and also the hunting qualities of all the dogs on the day. To quote one Judge "All dogs were having a real go!" Both also complemented all involved regarding the very sporting attitude shown during the whole day.

The day concluded with the Lady of the Shoot, Trish extending an invitation to all present to some warm food in the very homely and comfortable guns room where the Craic continued for some time.

The Clubs second Trial took place on 24th November. Once again the weather was favourable with a dry morning but a stronger wind. The Trial commenced on different Ground but in almost identical conditions of bramble, heather, rushes and bracken. The Judges on this occasion were Mr. Aidan Patterson (A) from County Antrim and Mr. John Dickson (A) from Scotland and Mr. Christy Murphy (C) from County Mayo.

A full card and reserves once again was most encouraging for the future of working Cockers. The Trial commenced with the dogs hunting an upwind beat and as in the previous Trial, the standard of hunting by all the dogs was top drawer.

Some dogs desire to get on with the job of finding Game meant some steering problems for their handlers while again there were the unlucky ones where things just did not fall into place. Such are the uncertainties of Field Trials and dogs that lacked the bit of luck on the previous occasion were able to shine on this occasion.

Once again the guns were well aware of the requirements for shooting for the benefit of the dogs. The Game supply was once again just right plentiful but not to the extent of a bird under every bush. Game came at regular intervals resulting in dogs meeting plenty but needing good hunting performances to produce the Game. This hunting requirement was visible in all the dogs. Some retrieving problems were to prove costly to some dogs on this occasion but another seasons experience will bring the required finish.

The Judges having gone through their books and spoke to the Secretary resulted in four dogs going to water. A clean water test resulted in the following results.

RANK & OWNER	DOG	GRADED
1st: Mr. D. Elliot, Co. Armagh.	Abbylara Smarty , - Mr. D. Elliot	Excellent
2nd: Mr. P. Cromwell, Co. Down.	Higherend Buzi,- Mrs. A. Marriot.	Very Good
3rd: Mr. K. Lindsay, Co. Down.	Creccamarch Ice, - Mr. R. Deveraux - Biggs.	Very Good
2nd: Mr. J. McGonagle, Co. Derry.	Sperrinside Swift, - Mr. P. Cassidy.	Good

The presentation of prizes and Trio Bloom Dog food were made to the award winners by the CSCOI Field Trial Secretary Mr. Enda Jennings. The Cocker Spaniel Club of Irelands Colonel Scott Moore Cup was presented to first place, Mr. Des Elliott and C.B. Abbylara Smarty. Enda thanked the Bracken Hill Shoot, the Guns, Judges, Competitors and all Stewards who helped on both Trial days. He wished the winner every success in the Spaniel Championship.

Both Judges expressed the view that the dogs were all good quality hunters and retrievers and the standard of dogwork was of a very high standard overall. Both Judges were agreed that the Ground and Game supply were of Championship standard.

The owner of the winning dog thanked everybody involved and on behalf of the Competitors made a presentation to Stuart and Trish. Mr Ken Lindsay on behalf of the Competitors also thanked the Shoot for putting at our disposal such fantastic Ground and Game supply and the generosity shown to all on both days. He also referred to the "Grand Sporting Occasions" that both of this year's Trials enjoyed at Bracken Hill Shoot and felt that Spaniel Field Trials needed such days.

The formalities concluded with the presentation of a beautiful framed print of a Cocker scene to Stuart and Trish on behalf of the Cocker Spaniel Club of Ireland. The picture was donated by the Creamer family who have for so many years contributed so much to the progression of all breeds of Gundogs but particularly championed the interests in the Working Cocker in this country.

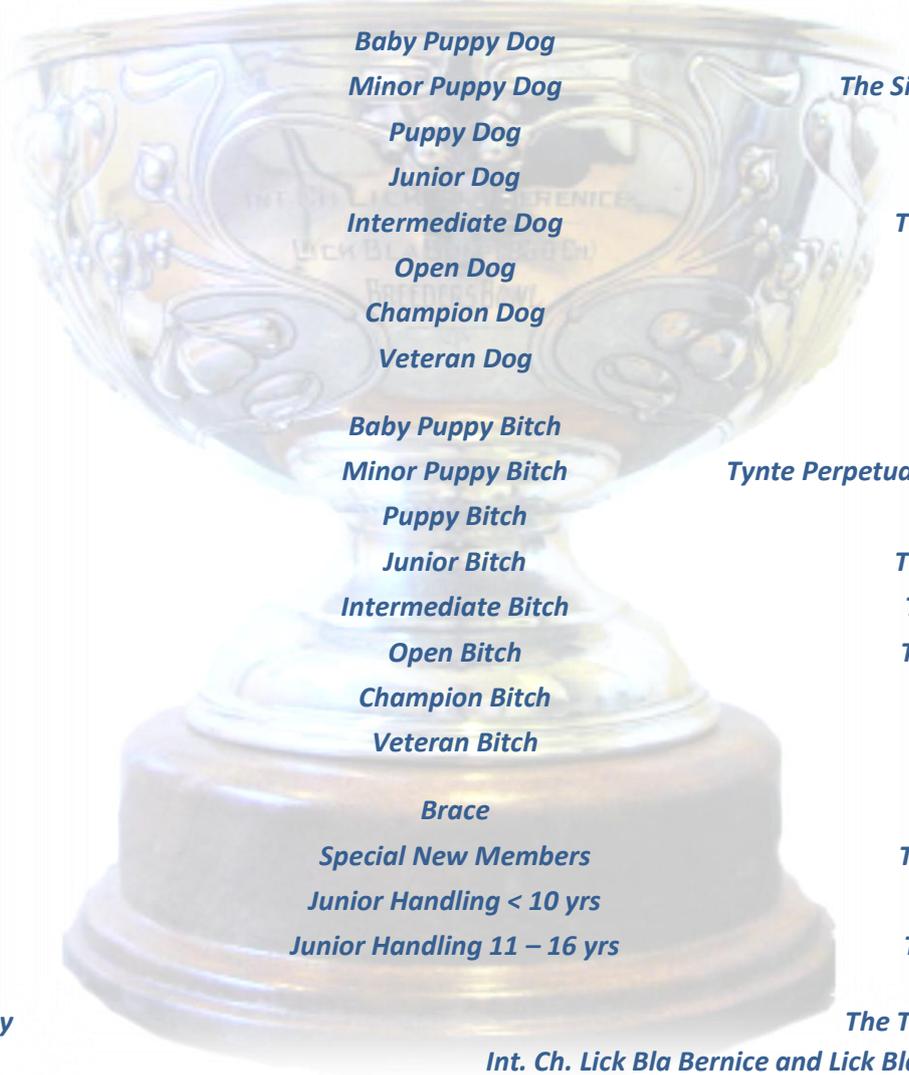

The Club owes an immense debt of gratitude to the commitment of Mr. Tom and Kay Creamer, both Gundog protagonists, who having joined the Club in the 60's and with the mentorship of others of that time that have championed the both the Breed and the Working Cocker Spaniel. Maybe we sometimes forget what Cocker Spaniel people like these two do, silently contributing so much on our behalf so we may now have the opportunities we are blessed with today. In the 1970's, along with other like minded people, they were members of the committee that dedicated itself to the Club securing our first Spaniel Championship. Our most sincere thanks to them both and long may they continue!

Mr. Stuart McIntosh thanked all for their generosity and kind remarks and thanked the Club members for their help towards the Shoot on shoot days and indeed throughout the year. All then adjourned to the comfort of the guns room for the customary hot food supplied by our hostess Trish.

DEFINITION OF GRADES QUALIFICATIONS AND PLACINGS (FCI)

The qualifications given by the judges must correspond to the following definitions:

EXCELLENT may only be awarded to a dog which comes very close to the ideal standard of the breed, which is presented in excellent condition, displays a harmonious, well-balanced temperament, is of high class and has excellent posture. Its superior characteristics in respect of its breed permit that minor imperfections can be ignored; it must however have the typical features of its sex.

VERY GOOD may only be awarded to a dog which possesses the typical features of its breed, which has well-balanced proportions and is in correct condition. A few minor faults may be tolerated but none of a morphological nature. This award can only be granted to a dog that shows class.

GOOD is to be awarded to a dog that possesses the main features of its breed however showing faults provided these are not concealed.

SUFFICIENT must be awarded to a dog which corresponds adequately to its breed, without possessing the generally accepted characteristics or whose physical condition leaves something to be desired.

DISQUALIFIED must be awarded to a dog which does not correspond to the type required by the breed standard; which shows a behaviour clearly not in line with its standard or which behaves aggressively; which has testicular abnormalities; which has dental flaw or a jaw anomaly; which shows a colour and/or coat imperfection or clearly shows signs of albinism.

This qualification shall also be awarded to dogs that correspond so little to a single feature of the breed that their health is threatened. It should furthermore be awarded to dogs that show eliminating faults in regard to the breed standard.

Dogs that cannot be awarded one of the above qualifications shall be released from the ring with the rating:

CANNOT BE JUDGED. This rating is to be given to any dog which does not move, constantly jumps up and down on its handler or tries to get out of the ring, makes it impossible to assess the gait and the movement or avoids constantly to be examined by the judge and makes it impossible to inspect teeth, anatomy and structure, tail or testicles. This rating is also to be given if traces of operations or treatment can be observed which seem to indicate that the exhibitor wanted to deceive the judge.

The same applies if the judge has ample reason to suspect operations that were intended to correct the original condition or feature (e.g.: eyelid, ear or tail). The reason why the dog was rated CANNOT BE JUDGED has to be stated in the judge's report.

The four best dogs in each class are placed provided that they have been awarded at least the qualification "VERY GOOD".

PUPPIES

VERY PROMISING. General appearance: "Very Promising Type" whose merits in structure and conformation are such that it can be considered a very promising specimen of the breed.
